

NEW (and evolving) POSITIONS 2016-17

Interim Head of School, Scott Kerman

Scott will serve as the Head of School for the 2016-17 school year. Even after a permanent Head of School has been named, Scott will continue as Interim Head of School until June 30, 2017.

High School Director, Dan Dunning

This is a new position, replacing the previous High School Coordinator. The High School Director is responsible for directing and overseeing the operations and strategic development of the high school. Dan is your point of contact for all things involving the high school, whether it's matters related to classes, teachers, programming, students, or culture. **Erin Blenkiron** will continue on as the **Activities Director**, responsible for working with students and faculty on high school activities and events, including Retreats and Prom.

Middle School Director, Rachael Torchia

This is a new position, replacing the previous Middle School Coordinator. The Middle School Director is responsible for directing and overseeing the operations and strategic development of the middle school. Rachael is your point of contact for all things involving the middle school, whether it's matters related to classes, teachers, programming, students, activities, or culture.

Department Chairs

Department Chairs are supervised by the Middle School and High School Directors, and in turn they help to supervise and work with faculty to develop and advance curriculum and instructional strategies.

English/Humanities – Jada Pierce
Visual/Media Arts – Sean Cain

Science – Andy Davis

Math – Russell Hanes

World Languages – Julie Ellington

Wade Willis is the **Arts Coordinator**, responsible for the overseeing the Arts Program and the production of school-wide arts events and activities. Wade's responsibilities include those as Performing Arts Chair.

Student Services Director/College Counselor, Julia Cain

Julia will continue her great work as College Counselor; but rather than continue as Registrar, Julia now directs Student Services for the school. She will be responsible for overseeing the school's SNAP Program, which works to support students with learning needs. She supervises the Registrar and the School Counselor.

School Counselor, TBD

The school is seeking a school counselor who will provide therapeutic services to students, as well as develop programming and training for students, staff, and even parents around issues of import for students and families.

Operations Director, Kathy Finkle

The Operations Director is responsible for directing and facilitating essential operations of the school. Kathy will oversee safety and security measures at the school, as well as manage the facilities.

Registrar, April Haddock

The Registrar is responsible for maintaining and transmitting student records, forms, and information. April maintains important student records, documents, and transcripts.

Educational Technology Support Specialist, TBD

This position will provide valuable assistance to Systems and Technology Director John Storhm with regards to the maintenance and operations of the school's technology and databases. The ETSS will primarily be responsible for working with teachers and staff on their use of technology, including educational resources and apps.

Student Services Assistants, Various

Still affectionately called Wranglers because of how expertly they help to keep our middle school students safe and sane, the title change recognizes that these individuals do so much more to enhance our students' experiences, often by assisting teachers and staff in valuable ways.
